

# 2013 Manufacturing Day Poster Design Project

## ARTWORK ENTRY FORM

Please list the student's **name, grade and school** for each entry on the **back** of the piece of artwork. Slogans/messages can either be incorporated into the artwork design or written on the back of the piece. Please be sure to use pencil so that the writing doesn't show through on the design side of the paper. We recommend photocopying the original artwork piece and writing the student information on the copy to preserve the integrity of the artwork.

The Coordinating Teacher selects **eight (8) entries** to represent the school. We suggest completing the activity as a class as we will provide certificates for all students who participate, even if their artwork isn't submitted for judging.

**All entries must be received no later than **Friday October 4<sup>th</sup>, 2013: Florida Manufacturing Day**. They may be hand-delivered to the FLATE offices by 3p.m., or mailed (must be postmarked by 10.4.13. All entries must be accompanied by a completed Entry Form, including Pre- and Post-Test scores.**

All artwork (except winning artwork which will not be returned) may be picked up at the FLATE offices no later than November 8th.

**Winners will be announced** and winning designs posted on the FLATE wiki site on **MANUFACTURING DAY – October 4<sup>th</sup>, 2013**.
