

<u>INSTRUCTIONS:</u> The following questions are to be answered as a group. Discuss the question with your group members and write down the different ideas and answers that you have as a group. Be prepared to share your thoughts with the rest of the class!

		J	-	 	 -	_			0)		-	_		

1. List as many of the 8 sectors of Florida manufacturing as you can remember.

2. List as many of the products that you can remember from the video that are Made in Florida.

3. Choose a product from question 2 and infer which manufacturing sector it is produced in and what equipment, skills, and resources may go into it's production. Draw a flow diagram of how you believe the product is produced starting from raw materials.
